

Here are some ways to meet the Nurse Aide I requirement at Carolinas College of Health Sciences....

1. Complete an approved Nurse Aide I training course. This course must include a clinical component in a healthcare environment (i.e. hospital, nursing home, etc.). We offer an approved course at Carolinas College of Health Sciences. If you plan to take the class at Carolinas College, register early as spaces fill quickly.
2. Work as a Nurse Aide I **within the last two years**. Submit a letter from your employer or supervisor on company letterhead stating that you worked in a Nurse Aide capacity within the last two years. Be sure dates and contact information are included.
3. Complete at least once semester of a Nursing Fundamentals course at an approved Nursing program, with a grade of “C” or better, within the past five years and provide an official college transcript with that information.

If you have not taken a course or you do not meet the requirements listed above, please contact us at 704-355-5043 for more information or to enroll in our Nurse Aide course.
